

OUR MISSION

BUILD AND SUSTAIN A COMMUNITY OF PATIENT-CENTERED MEDICAL HOMES.

EXTERNAL DIRECTOR (Volunteer Board member, three-year term)

The Board of Directors is the legal authority for the Calgary West Central P.G. Co. (CWC P.G. Co.), a not-for-profit corporation comprised of community-based primary care providers. Through a joint venture with Alberta Health Services, the CWC P.G. Co. guides the Calgary West Central Primary Care Network (CWC PCN) in its mission to support physician members and their patients in southwest Calgary.

The CWC P.G. Co. is seeking to appoint a volunteer External Director to its Board. The primary purpose of the External Director is to bring an objective perspective to Board discussions and to act as a representative voice of the community. Preference will be given to someone with previous not-for-profit Board experience. As a volunteer Board member, the External Director is ineligible to receive compensation. In alignment with Alberta Health policies, other support mechanisms are available to cover reasonable expenses when attending CWC PCN meetings to help ensure that this is a barrier-free opportunity*. Applicants must live within the Calgary Zone.

QUALIFICATIONS

The ideal External Director candidate will demonstrate a passion for not-for-profit work. As a member of the Board, the External Director must possess sophisticated and thoughtful communication skills and demonstrate a desire to build positive relationships with fellow Board members and senior staff.

Competencies

- Knowledge or previous experience in human resources, law, enterprise risk management, or strategic planning would be considered an asset.
